Dear Mrs Manley:--

In order to service you on your possible uniform order Ed Taylor of our Philadelphia Branch has sent on your letter of Dec 23d to me -- so that I can make plans to see you at your convenience to show our line of Major League uniforms --

I appreciate your thinking that at a meeting time too many other things are to be considered to give the proper thought and attention to the uniform problem -- so am going to arrange my route and plans to see you at some convenient time after the meeting is over.

While I regret that I will not be able to be at the meeting myself the 5th -- I am almost certain that Taylor will be around and fully capable to handle any question that may come up -- but you and the rest of your league can be certain that the Wilson Spt Gds Co will make every effort to give you the same service and consideration as always and to improve on that if possible.

Until I have an opportunity to hear from you and the most satisfactory time to see you I will sort of plan on being your way some time the later part of the present month and you can know that I will have a complete showing of our Major League uniforms and Jackets for your consideration. I know you will be more than interested -- but if you feel that you prefer an immediate look at them I will arrange to come on at your chosen time.

With the very best of personal regards to both yourself and Abe, I am

Very sincerely
